Best author of Salon |FIAP blue badge
Romos Kotsonis | Cyprus

Romos Kotsonis – some call him the “director” as he manages to create a photo in any space! Lives in Limassol, Cyprus and photography is a love affair for many years now and since 2013 he started competing internationally.

He takes pride in teaching photography also presentations and seminars he hosts are always very interesting with a full house every time with his own unique style / method.

Photos by him have been published in international and national salons, front pages of magazines and newspapers, books, catalogues, banners etc.

Taking photos of anything attracting the eye is something he enjoys but also loves aerial shots “since it’s an angle not everyone can get to view”.

Internationally awarded multiple times, he has reached all photography distinctions he had aimed for so far and at the present he enjoys judging international photo competitions.

First titles came in 2014 and currently among others, by 2021, he holds the following:

c***MoL - EFIAP/p - M.ICS - EPSA - M.USPA - RISF3 - M.SWAN - AISF - EHPS - Hon.Exc.ICS/USPA/SWAN/FMPA. "

Simon Remec | Slovenia

Hello! My name is Simon Remec and I'm from a town called Nova Gorica, Slovenija. I have been doing photography for 3 years now. In 2019, I joined the "Foto klub Nova Gorica". I am mostly a self-taught amateur photographer. I just love walking down the streets and alleys of nearby cities. I look for anything that attracts my eye. I usually look for contrasts (light, shadow, colours,...) and unusual scenes. I think the most important thing is the observation and to be ready to shoot.

This pandemic has stopped me from walking around and from discovering new places. But on the other hand, it has pushed me to try different styles of photography. I have started to do conceptual images, portraits,...basically I'm in an experimental mood right now.

I use just a compact camera. I think less is more! I avoid using too much photoshop and I just do small, basic corrections.

I enjoy learning through different competitions. I have been awarded with 6 medals in the international salons, in just 18 months.

I am honored to receive this recognition and it has been a big encouragement for me.

See you on the next competition.

Good light to everybody!
